

ARE YOU PREPARED FOR AN EMERGENCY?

Make a plan

BE PREPARED AND TAKE ACTION

- Find out if you live in a high-risk area of flooding
 - Consult with your insurance company to ensure that you have the appropriate coverage
 - Discuss with your family what you will do in the event of a flood
 - Build an emergency kit with necessary supplies and plan to evacuate quickly
-
- Move to higher ground and find shelter in the event of a flash flood
 - Do NOT attempt to swim, walk or drive through flood waters
 - Do not touch electrical equipment if it is wet or in water
 - Stay out of flood water as much as possible to reduce your risk of coming into contact with contaminants

Did you know?

The closer you live to a water source or low lying area puts you at greater risk for experiencing a flood
