

ARE YOU PREPARED FOR AN

EMERGENCY?

TORNADO WATCH VS. TORNADO WARNING

Tornado Watch - Weather conditions favorable for tornado activity

Tornado Warning - Doppler RADAR has indicated a tornado. TAKE IMMEDIATE COVER

DURING THE TORNADO

- Head to the safest location indoors
- Protect your head and neck from flying debris
- Use furniture and blankets to protect yourself
- Don't try to outrun a tornado in your car

AFTER THE TORNADO

- Stay clear of downed trees and power lines
- Listen out for the **NOAA Weather Radio** and **local authorities** for updated information
- Seek medical attention if needed, otherwise shelter in place until all clear
